TIPS: *One drip every second adds up to
5 gallons per day. Check for leaks!*

**Lower the thermostat on your water heater –
120°F is sufficient. A 10° reduction can save up
to 5% on water heating costs!**

This initiative is part of the City of Chula Vista's Local Government Partnership program, which is funded by California utility customers and administered by San Diego Gas & Electric (SDG&E®) under the auspices of the California Public Utilities Commission.
